

Walk Brief 10:30 18th August: Bucklers Hard/ Beaulieu New Forest

The walking route is as shown on next page and is 4.8 miles long. We will meet at Bucklers Hard Visitor Car Park, Bucklers Hard, Brockenhurst SO42 7XB (It cost £5.90 to park for 4 hours) then follow out and back route to Beaulieu with small diversions to the edge of the river and bird viewing hide. We can have lunch at The Captain's Table which is a café adjacent to the car park. Please let me know if you plan to join the walk.

After the walk you might want to explore the museum, also there is some interesting archaeological work going on the area where many naval ships were built in the 18th Century.

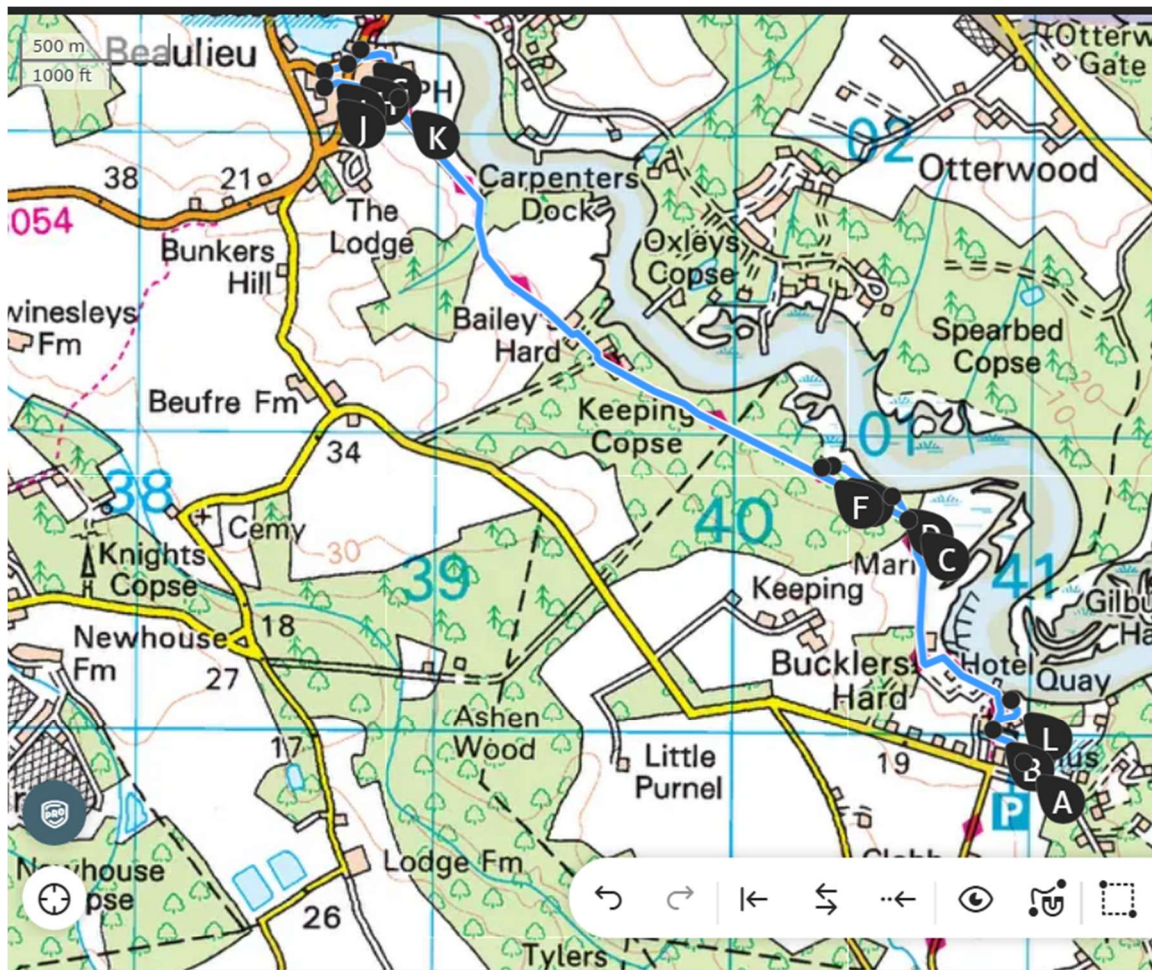

To facilitate lifts please let me know if you have room in your car or want a lift to and from Bucklers Hard.

Most of the route is fairly flat but as always roots, pebbles, uneven boardwalks etc. may present tripping hazards.

Please all take care on the walk. The main hazards and precautions to be aware include:

- Paths can be slippery.
- Paths we will be following are well used but tree roots present tripping hazards as well as normal kerbs and rough tracks, also take care that shoelaces are not likely to trip you.
- Please remain between walk leader and tail walker and take care crossing roads.
- Please dress for the weather and you may want to use sun cream and bring water with you.
- Please bring your membership card with you and check emergency contact information is written on the back of the card.
- Please bring mobile phone and check you have my number in case of a problem.
