

Walk Brief 10:30 19th August: Warblington/ Emsworth / Langstone

The walking route is as shown on next page and is 4.2 miles long to our lunch stop. We will meet at point 'S' on map below at 10:30 and then follow the loop past Warblington Church and onward to Emsworth and then back along the top of Chichester harbour to Langstone where I have booked lunch at the Royal Oak pub (<https://www.greeneking.co.uk/pubs/hampshire/royal-oak-havant/menu>) After lunch the walk back to where we are parking our cars is about 3/4 of a mile. Parking at Warblington is free as it on public road; to help find the location the Address/post code for St Thomas' Church, Warblington is Church Ln, Havant PO9 2TU. Please let me know if you plan to join the walk.

As we will be a large group the pub has asked that we decide what we want to eat ahead of our visit, if you want lunch please let me know what you would like. You will see I have also sent you the lunch menu which also details 'lunch club' offer which seems to be particularly good value.

To facilitate lifts please let me know if you have room in your car or want a lift to and from Warblington.

Most of the route is fairly flat but as always roots, pebble beach etc. may present tripping hazards and paths & beach seaweed can be slippery.

Please all take care on the walk. The main hazards and precautions to be aware include:

- Paths can be slippery.
- Paths we will be following are well used but tree roots present tripping hazards as well as normal kerbs and rough tracks, also take care that shoelaces are not likely to trip you. On this route ploughing of the field growing sweetcorn have left pretty deep ruts directly besides the path also there are a number of rickety kissing gates and as is often the case please be aware of brambles and stinging nettles.
- Please remain between walk leader and tail walker and take care crossing roads.

- Please dress for the weather and you may want to use sun cream and bring water with you.
- Please bring your membership card with you and check emergency contact information is written on the back of the card.
- Please bring mobile phone and check you have my number in case of a problem.
