

16th January: Portchester Walk

A beautifully crisp and bright sunny morning for a walk from Portchester Castle along the top of Portsmouth Harbour. 25 of us wrapped up well and joined the walk, with many of us following the walk with lunch at The Cormorant.

Weather made up for the cancellation of December walk due to rain, the cold weather even froze most of the mud making our walk a little easier, but warm sunshine and no wind made it feel much warmer than it was.
