

Walk Brief 10:30 Tuesday 18th March: Swanwick & Whiteley

The walking route is as shown on next page and is about 4.5 miles long.

For the walk on Tuesday 18th March, we will meet at The Elm Tree Inn, 1 Swanwick Ln, Southampton SO31 7DX. I have been in contact with the Pub, and they are happy that we park there ahead of having lunch in the Pub at about 1230.

The walk is a mixture of well-developed paths, Tracks through woodland and paths through some of the new housing developments.

Please let me know if you can make it and let me know if you want a lift or can offer lifts to others. Also please let me know if you will be staying for lunch. For those staying for lunch the pub has asked us to let them know what we want from menu, after I know who is coming, I will send menu out so choices can be made.

Even though I have tried to stick to all weather paths as much as possible there will be muddy stretches so waterproof walking shoes or boots will be needed, we also need to dress for the weather on the day.

Please all take care on the walk. The main hazards and precautions to be aware include:

- Paths & Steps can be slippery.
- Tripping hazards from roots, kerbs and rough tracks are present, also take care that shoelaces are not likely to trip you.
- The first part of the walk is along a narrow path with partly fallen trees giving limited headroom in a couple of places.
- We will need to cross couple of busy roads so particular care will need to be taken there, the busiest crossing point has pedestrian traffic lights.
- Please remain between walk leader and tail walker.
- Please bring your membership card with you and check emergency contact information is written on the back of the card.
- Please bring mobile phone and check you have my number in case of a problem.
